## FREE SUMMER ACTIVITIES FOR CHILDREN

Dear parents and carers,

Bishop's Cannings' Youth Action Group is once again delighted to offer the children of Bishop's Cannings' school and parish a great range of free, fun activities over the summer holidays. All activities will be run by qualified, experienced instructors and are open to children aged 5-14. This year, Bishops Cannings Cricket Club are also, very kindly, offering a cricketing session for us.

Please select your choices from the list overleaf, complete the form, with the parental consent, and return to the contact address shown by Tuesday 23rd July. If there is space, children can attend more than one session.

Pre-booking is essential and all places will be allocated on a first-come, first-served basis. **Children cannot take part in any activity without written parental consent, so please make sure that the consent section is filled in.**

Parents will be contacted by email or phone to let you know which activities you have been allocated. The dates, times and location are shown on the form..

Please contact the Group Secretary, Kathy Crossfield at the address overleaf for further details.

Yours faithfully

The Bishop's Cannings' Youth Action Group committee
